

Town of South Bethany
South Bethany Charter and Code Committee (SBCCC) Report
May 13th, 2022

The SBCCC met on April 22nd, 2022 which was the final meeting in the current term. The Committee is currently working on proposed code changes to eliminate criminal penalties and make all penalties civil. The Committee is awaiting a review by the Town's solicitor in order to proceed with this effort. This activity will resume in the new term once the Committee has been reauthorized by the Town Council.

Chairman Shaw asked all current members to complete the required membership application form if they wish to continue on the Committee into the next term. All current members indicated a desire to continue as Committee members.

Shaw suggested that the Committee consider adding one more member to bring the total to five and asked the current members for potential recommendations.

Shaw noted that he was being considered for the Mayor Pro Temp position, which involves more duties and responsibilities, and asked the current members to consider whether any of them would be willing to take on the Committee chairmanship position.

The committee chair would like to commend the members for their efforts and thank them for the time they have committed to supporting the work of the Committee.

Tim Shaw – Committee Chair
